

ARTICLE 1. CHARACTERISTICS

The ShortPitch is an activity dedicated to the short film audiovisual industry. National directors or producers with a project in the development or pre-production phase can participate, including those projects that have obtained previous public and/or private aid.

A maximum of 12 works will be selected from among the projects presented. The finalist projects will have to be exhibited in front of a jury during the 7th edition of the Skyline Benidorm Film Festival, which will be held from March 25 to April 1, 2023.

Projects that have already started filming are excluded.

ARTICLE 2. REQUIREMENTS

- It will contemplate at least 50% of the filming in Benidorm.
- The production of the short film must be finished before the next edition of the Skyline Benidorm Film Festival (March-April 2024) is held. The production company must deliver a copy of the final film to the festival.
- The winning project will have to premiere the short film in 2024 during the 8th edition of the festival.
- Both fiction and documentary short film projects are accepted.
- The theme is free.

ARTICLE 3. REGISTRATION

Registration opens on December 20.

The registration deadline will be January 24, 2023.

The registration of the short films will be made using the following form:

<https://forms.komun.org/shortpitch2023>

The registration will only be effective when the form has been completed and the festival has received all the documentation required in these bases.

Documentation to provide:

Synopsis (1 page maximum)

Script

address memory

Bio-filmography of the director

History of the production company

Budget

shooting plan

Audiovisual material, teaser, web or other promotional material.

ARTICLE 4. SELECTION

From among all the works presented, the festival selection committee will be in charge of choosing a maximum of 12 projects that will participate in the final pitch. Said pitch will be carried out by those responsible for it before the jury.

The jury will be made up of professionals from the sector selected by the festival management and will be in charge of awarding the prize.

The jury's decision is final.

ARTÍCULO 5. PREMIO

Award for the best pitch on a project valued at approximately €12,000, in which rental and service companies in the Valencian Community will make their equipment, work and services available to the winner.

Always subject to availability of dates by the providers.

- **Alonso & Évole – Estudio Jurídico**
Pack of advice and legal consultancy specialized in civil law, commercial law, intellectual and Industrial property, throughout the development of the project, valued at €1000.
www.alonsoevole.com
- **Echar a rodar. Sostenibilidad audiovisual**
Calculation of two carbon footprints of the winning short film. The first with the expected data and the second with the actual data provided by the producer. In addition to a course on sustainable audiovisual production, green marketing and a sustainability plan for a person from the team, so that they know everything they need to prepare their sustainability plan. Both services are valued at €700.
www.echararodar.es
- **Juanan Valverde**
Elaboration of the Storyboard of the project, valued at €1,000.
www.juananvalverde.com
- **Kika Lux**
Assignment of the Arri Alexa mini camera (and pack) for 3 days, valued at €3,000.
www.kikalux.com
- **Drones de cine**
A day of recording with a 4k drone and a pilot in Benidorm, valued at €2,000
www.dronesdecine.com
- **RC Audio**
5.1 sound post-production of the winning short film, if it is fiction up to 14' and if it is a documentary up to 18', valued at approx. €2,000.
www.rcaudio.es
- **Bbo Subtitulado**

Translation and subtitling in English of the final version of the winning short in STR, STL EBU, XML and MOV formats, worth approx. €250.

www.bbosubtitulado.com

- **Music Library &SFX**

Flat rate limited to one production with access to the AudioNetwork and AltMusic production music catalogs. The use of their music to synchronize within up to 2 promotional contents (teaser + trailer) of the final production is also included. Once the content is licensed, the music would be covered for multiplatform broadcast, worldwide and for the entire life of the content. Value-added services are also offered through its 360º Acorde musical supervision division: discounts and advantages for ad-hoc composition, production and convergences on composed music. Discounts on commercial music rights negotiation charges. Provision of studios and SFX. The estimated cost of this award + services is valued at approximately €1,500.

ARTICLE 6. GENERAL RULES

The festival will bear the cost of accommodation (one night) and meals for a representative of each selected project, as long as they reside more than 120km from Benidorm. If the participant wants to come with a companion, this extra expense will not be covered by the festival.

ARTICLE 7. INTELLECTUAL PROPERTY

All participating projects must have the authorizations, assignments of copyright or other owners of pre-existing and/or original works that are incorporated into them. In this sense, the participants guarantee that the projects do not violate any right of exploitation, or intellectual, industrial property rights and/or any other rights of third parties, and that they do not violate current legislation.

The festival organization declines all legal responsibility for the projects submitted to the contest and their content.

ARTICLE 8. ACCEPTANCE OF THE RULES

Registration implies acceptance of these bases.

Any issue not provided for in the bases will be resolved by the organization of the festival.

These bases are subject to possible modifications for reasons beyond the control of the organization.

Skyline Benidorm Film Festival reserves the right to make modifications to these bases or add successive annexes about its mechanics and prizes, provided that they are justified, do not harm the participants and are duly communicated to them during the course of the contest.

7th Edition
